AVOID PROBLEMS FOR YOUR SCHOOL DELEGATES BY...

1. **Beginning to identify students who will be attending workshop NOW... so that you have enough time to turn in forms and fees by the April 23 deadline. Remember Spring Break—so plan early**
2. **Using the check off list when you are ready to send your materials.**
3. **Knowing that delegates cannot arrive late nor leave early from workshop. If an emergency pickup is needed, then the parents must pick up the delegate. If another person picks up the student, a note from the parent must be presented and this person must have a valid picture ID. We do this to protect the delegates.**
4. **Making sure that if you are sending a delegate with any type of physical or psychological problems you send a letter explaining the problem. We do this for the protection of the delegates.**
5. **Giving delegates and their parents the emergency numbers listed on these forms.**
6. **Having students choose roommates before arriving at workshop (two students to a room). Forms to be sent with registration.
**We highly suggest that for middle level you send students in pairs.
It makes it so much easier for them for rooming.****
7. **Sending your registration forms and fees by the April 23rd. deadline to avoid the \$100 late fee.**
8. **Checking the LASC website for updates (www.lascwebsite.com)**
