FUN-FACT FEBRUARY

- February is named after the Latin word "februum," which means purification.

INFORMATION

- The 2022 LASC Executive Board met at Pineville High School from February 4-6th 2022, to train newly elected District Presidents and state officers. We discussed the google evaluations of this year's convention and how to improve our workshop in 2022.
- In a board vote, it was decided to keep two separate workshops-one for middle level and one for high school. See the LASC website for revised registration.
- The 2022 LASC State Convention at Archbishop Hannan was a success with 84 schools in attendance; two keynote speakers and a student-led exchange were just some of the leadership training that took place.

SPECIAL THANKS

- ★ We would like to thank Archbishop Hannan High School for hosting the 2022 LASC Convention from January 15-17th! Their Student Council did a remarkable job from decorating the school to a spectacular opening. They truly made the 2022 State Convention a success!
