★ THE LASC GUY HARVEY MEMORIAL WORKSHOP FUND ★

Guy Harvey was a very enthusiastic supporter of LASC for over 40 years, and one of his favorite activities was LASC Summer Workshop. After his passing in 2019, LASC has set up a fund for schools to donate to, in order to get the chance to send a student to Summer Workshop without cost. More information about him and this fund can be found on the LASC Website :)

HERE'S WHY YOUR COUNCIL SHOULD RUN FOR LASC OFFICE: (FROM DIFFERENT STATE BOARD MEMBERS :))

"Running for office is a great leadership experience not only to learn how to campaign, but if you earn a seat on the board you will meet the most amazing students and adults who want to work to improve our state" - Lily Drach, District IX President

"If you're outgoing, always seeking to help others, and passionate about everything you do, running for LASC office is an amazing experience and you wouldn't regret it." - Andie Petross, State Secretary

"The board has not only taught me how to network throughout my city by reaching out to new schools, but also has allowed me to make connections that I will keep in touch with for a long time!" - Riley Fitzmorris, District II President

"I would definitely run to be on the board! Especially as the BESE Representative, you get the best of both worlds by being able to experience the lasting friendships of the LASC Board and networking with government officials." - Blake Grabert, BESE Representative
