

HELLO LASC

My name is Maci Eilers, and I am so excited and ready to serve as your LASC State President. I am a Junior at Archbishop Hannan High School. I have a strong passion for serving others, building connections, and empowering student leadership. This is going to be an AWESOME year for our State!

ABOUT ME:

- I attended my first LASC convention in 2023. I made friends and memories that will last a lifetime and from that point on, LASC has held a special place in my heart... you could say I drank the Kool Aid.
- I have since attended 4 conventions and 2 summer workshops. I spent last year serving on the State Board as District II President. These opportunities, as well as my peers and advisors have made me who I am today.
- I believe a positive attitude is at the core of a good leader. With a positive attitude, you can accomplish anything. I am a high-achieving, goal-oriented, and motivated person. I am passionate about all that I do. I also love meeting new people and making genuine connections with others.
- At Hannan, I serve as Executive Board Coordinator of Events. I participate in the theatre program, I am a member of the Campus Ministry team, public relations officer on the Student Ambassador Board, Hawk Buddies, multiple National Honor Societies, and various other clubs around campus.
- I have 2 awesome younger sisters. Ella is an 8th grader at Hannan and Lea attends St. Peter's Catholic School.
- I work with and look up to my amazing advisors Mrs. Scott and Mrs. Gallo.

GOALS AS LASC PRESIDENT:

- Recognize achievements through Social Media Highlights
- Bring more people at both the middle and High School level into LASC
- Unite the Districts throughout this year
- Increase community outreach
- Represent Louisiana at SASC and Visions
- Attend all District Workshops
- Make this the best year yet for all Louisiana Student Councils!

I am so honored and excited to hold this position while leading and growing with all of you as we learn to be confident communicators, risk-taking innovators, and servant leaders through student council! I cannot wait to serve you this year. We are so lucky to be a part of the LASC family and all that comes with it! Please feel free to reach out with any questions, comments, concerns, or ideas.

SINCERELY,

MACI EILERS
