Quote of the month

"Leadership is the capacity to translate a vision into reality." — Warren Bennis

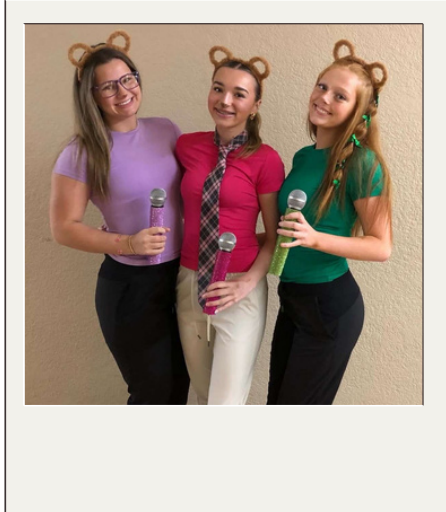

Fundraiser Idea

My school is doing a "Thrift Store" fundraiser where students can turn in their old school apparel for a raffle ticket. Once our student council collects all of the clothes we are going to set up a small thrift store for all teachers and students to shop at!

STUDENT COUNCIL WEEK SHOUTOUTS

HOLY SAVIOR MENARD

"Our week was based on the show Friends, with each day as a different iconic aspect of the show. Mondays "we were on a break" is Ross and Rachel's famous line to each other, so we dressed like any vacation break. Tuesday was the lyric "I'll be there for you" dressing up as a group or duo. Wednesday, we do mass which means we cannot dress up, so we had anything but a cup day where kids brought coffee pots or hid a bottle in a cereal box. Thursday was where Ross pretends to be a professor, so we all dressed like a teacher and finally, was friend's day, dressed as your favorite character" - Maddy Roy

NATCHITOCHEES CENTRAL HIGH SCHOOL

"Monday: We wore camo, had an egg hunt with gift card prizes, and guessed candy amounts in jars. Where you took home the candy if you guessed the amount. Tuesday: Dressed in jerseys and listened to E-Board candidates speeches. Wednesday: Barbie and Ken day with a coke float social for our members and for interested students that wanted to join chief council. Thursday: Hawaiian day with a rock-paper-scissors game and voting for elections. Friday: Student council luncheon with seafood, chicken Alfredo, desserts, and election results." - Jakira Williams

SONGS THAT HAVE BEEN GETTING ME IN THE MOOD FOR SUMMER AND SUMMER WORKSHOP
