2026 LASC Gold & Silver Honor Council Award Requirements

Please read the following for directions and questions on the 2026 LASC Gold & Silver Honor Council Award Requirements.

The online Google Form is the only acceptable form to submit a 2026 Gold & Silver Honor Council application. You can find the application here: www.tinyurl.com/LASC26goldsilver

Sections 1 AND 2 must be completed entirely to qualify for either the Gold or Silver Honor Council. Section 3 must have information submitted for the required number of categories to qualify.

It is most efficient if you upload any necessary documentation as **ONE PDF** file. The easiest way to do this is by compiling everything you need to submit in a word document, then save it as a PDF to upload. On your file, please add a header on each page with your school's name and if you are a gold or silver applicant. Label all sections and items on your PDF file to ensure efficiency as they are manually being reviewed.

If you choose to list everything on your PDF file (nice and neat) instead of the individual responses, for the required fields please, enter "See Attached". **You will be prompted for an upload at the end of the application.**

*** The time period of the application is November 1, 2025 to November 1, 2026--ONE FULL YEAR.**
All applications are due November 15, 2026 at 6:00pm CST! Please note carefully that, without question or exception. The November 15, 2026 Deadline will be STRICTLY ENFORCED due to the time needed to review all submissions before the State Convention.

The application contains the following questions:

1. School Name
2. Category for entry (Gold or Silver)

Section 1: Organization

1. Written Constitution: Enter your constitution here
2. Democratic Election Officers and Representatives: Enter any supporting election information

2026 LASC Gold & Silver Honor Council Award Requirements
