Hello LASC District IX
My name is Willa Chaffin, and I am thrilled to serve as your Louisiana Association of Student Councils District IX President. Currently, I am a Junior at Northwood High School and enjoy every second of being a Falcon. This year promises to be an exciting one for our district.

<u>Allow me to share a little bit about myself:</u>

- **I've been a part of Student Council since 8th Grade**
- **Since freshman year, when my school hosted the state convention, LASC has held a special place in my life.**
- **I have had the amazing opportunity to attend 3 conventions and summer workshop.**
- **At Northwood High, I hold the positions of junior class president and junior representative of student council.**
- **I am a member of the Falcon Academy of Medicine and Engineering, National Honor Society, Tennis, and Student Council.**
- **I have two sisters, one attending Louisiana Tech and the other at Herndon Magnet**
- **In addition to Student Council, I am very active in our Medical and Engineering program which helps me stay on the right track for college.**

<u>My goals for District IX:</u>

- **Encourage more schools in our district to join LASC**
- **Encourage more Middle School Level involvement**
- **Create unity among the schools within the district**

Northwood and I are excited to hold this position, and I cannot wait to lead and grow with all of you this year. We are all so lucky to be a part of this organization and the wonderful family it provides us!
Sincerely yours,
Willa Chaffin,
Northwood High School, District IX President
