Personal Thanks:

I want to thank our previous District President, Ethan Simoneaux for his incredible work he did as our previous President. I want to personally thank Ethan for passing the torch to me for this following year. I hope I can be as successful as he was because he provides such a wonderful role model to build my presidency off of. I won't let you down Ethan!

Spring Board Meeting!

The 2026 State Executive Board met this past Feb. 7-8 to discuss future LASC endeavors and providing the best future LASC for all of you. It was a wonderful experience that was littered with so much valuable knowledge for me and the rest of the State Board.

We would like to thank Pineville High school for putting together an incredible State Convention that will go down in history as one of the best!
