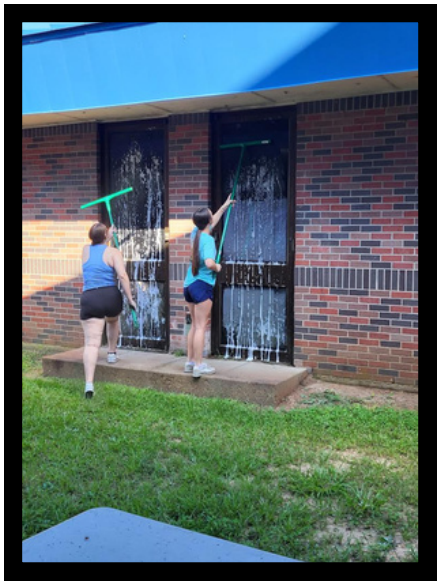
Quote of the Month

True leadership lies in guiding others to success. In ensuring that everyone is performing at their best, doing the work they are pledged to do and doing it well. —Bill Owens

Service Ideas

If you are looking for ideas to get your council involved, try cleaning up the school. This creates a better environment for school and also encourages involvement.

Our council and school worked together to clean and pressure wash the walls, ground, and windows on campus to make the school ready for open house.



Summer Workshop

Summer Workshop was a huge success. I hope everyone learned many lessons and learned ideas to bring back to their councils. A special thank you to everyone who made this experience happen.

Back to School

School is officially here. Start the year off on a good note and enjoy it, especially for the seniors. Make the most of every opportunity and be yourself.
