Reminder

Please check the LASC website for any important information. Forms for State Board and BESE applications have been posted along with registration for State Covention.

Quote of the Month

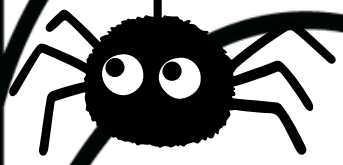
"Believe in yourself because you are the only one who knows you better than anyone."

Support your School

Since Halloween is approaching, try planning some events or fundraisers centered around it. Boo gram, trunk or treats, or other games are all good options.

LASC

LASC is coming up quickly and you should keep an eye out for it. Running for office is highly encouraged and a lot fun. If you donate to the Guy Harvey fund you will have a chance to receive the scholarship. The Gold and Silver Awards will be in a form on the website, if you do apply, do it in a timely manner. It is also very important that state dues are paid before their deadline!



District VII Workshop

Workshop is soon approaching and will be here next month. This is an opportunity that you can not pass up. Registration should be completed so don't miss out on leveling up your leadership. We can not wait to see you November 11th!!!
